

GOVERNMENT OF NCT OF DELHI
DIRECTORATE GENERAL OF HEALTH SERVICES
F-17, KARKARDOOMA, DELHI - 110 032

No. PS/DGHS/2024/1228-88

Dated: 28.10.2024

CIRCULAR

To ensure the efficient functioning of Central procurement Agency, it is imperative that clear stock position of all the consignees is visible to the CPA team on the 'NIRANTAR portal', that is currently being utilised in receiving the demands of all the consignees and placing the comprehensive supply orders of drugs to the vendors in a rational manner.

In this regard, CPA team has repeatedly requested all the consignees to ensure regular updation of the stock position on NIRANTAR portal by their respective store officers/ In-charges. Same has also been reiterated by Worthy Secretary, (H&FW) letter no. F.No. 11(2)/HFW/Vigt./2023/SSHFW/19, dated 26.12.2023.

It has been noted that some of the consignees are still not updating their stock position, which is making it difficult for the CPA team to assess and rationalize the distribution of available stock of medicines. Worthy Secretary (H&FW), GNCTD has also taken a serious view of this and directed that priority should be given to daily entry of the current stock of medicines.

It is, once again, requested from all the consignees i.e. all the MDs/ MSs/ CDMOs/ HODs to direct their officers/officials to update the stock position of drugs on NIRANTAR Portal in timely and regular manner.

(Dr. Vandana Bagga)
Director General Health Services
