MLAs of Delhi Legislative Assembly will be allowed treatment on cashless basis in the empanelled private hospitals/diagnostic Centers. The payment to empanelled hospitals / diagnostic centers for such cashless treatment will continue to be made by GAD in case of Ministers and their dependents and Delhi Legislative Assembly in case of Sitting as well as Ex. MLAs and their dependents. In addition Ex. Metropolitan Councilors of Delhi and their dependent family members be treated as Ex MLAs in respect to DGEHS facility and accordingly be eligible to same benefits as Ex MLAs under the DGEHS. The expenditure on this account will be made by the Delhi Legislative Assembly.

- 2) **Medical Facilities to Judges of Hon'ble High Court of Delhi** - Sitting as well as retired Judges of High Court of Delhi will be allowed direct entitled treatment for self and dependent family members in empanelled private hospitals/diagnostic centers.

Since the facility of direct entitled treatment for self and their family members from private recognized hospitals is available during service of these officers therefore the same facility will continue to be available to them and their dependents even after retirement from these posts. This facility shall be available to officers of above mentioned categories who have already retired from the service.
- 4) **Medical Facilities to IAS and DANICS Officers posted outside Delhi** - The Indian Administrative Service Officers (AGMUT) and DANICS Officers when posted out of Delhi (Transfer / Deputation) will be given an opportunity to exercise an option as to whether to continue under DGEHS or they want to become member, and will be extended the facilities of DGEHS in respect of self and their family members who continue to stay in Delhi. This would be subject to the condition that the families of such Indian Administrative Service (AGMUT)/DANICS officers would be allowed to avail of the DGEHS facilities provided the officer certifies that his/her family is residing in Delhi/NCR and that he/she pays charges applicable (related to his pay scale) towards contribution for availing of DGEHS facility. The officer concerned should either avail the facility in Delhi or headquarters - not both, even though they may be members of health scheme in place of posting. Double benefit cannot be availed.

In the event of retirement of such officer, he would be treated as a pensioner under the scheme provided he opts for the same. The facility will continue even in the tragic death of such an officer while he is posted outside Delhi provided his family would have been entitled for continued benefit under DGEHS if the said officer has been posted in Delhi. The cashless facility to such families will be provided during the period the officer is posted outside Delhi. The claim shall be processed by the H&FW Department. Health Card showing "Cashless Facility available" shall be issued for beneficiaries and their dependents for defined period from the H&FW Department.

The above provisions will be applicable with immediate effect.

This O.M. issues with the approval of competent authority.
