**SUPPLY OF MEDICINES (GENERIC OR BRANDED) THROUGH DGEHS
AUTHORISED CHEMISTS (AC)**

BROAD GUIDELINES

Keeping in view the need to maintain smooth supply of medicines (generic and/or branded) to Delhi Government Employees Health Scheme (DGEHS) pensioner beneficiaries by Delhi Government Dispensaries (DGDs)/Hospitals as per tender and provisions of DGEHS scheme, a guideline has been framed. The Guideline is divided in to four parts.

- A. AUTHORISED MEDICAL ATTENDENT (AMA)/MEDICAL OFFICER INCHARGE/NODAL OFFICER OF DGEHS
- B. CHIEF DISTRICT MEDICAL OFFICERS (CDMOs)/MEDICAL SUPERINTENDENTS (MSs)
- C. AUTHORISED CHEMISTS (ACs)
- D. DGEHS CELL

A. AUTHORISED MEDICAL ATTENDENT (AMA)/MEDICAL OFFICER INCHARGE/NODAL OFFICER OF DGEHS

1. Authorised Medical Attendant (AMA) is responsible for supply of medicines (generic and/or branded) which are not available in DGDs/Hospitals, to pensioner beneficiaries through the Authorised Chemists (AC) as per prevailing provisions of DGEHS scheme.
2. The AMA shall be authorised to replace branded medicine/s by suitable generic medicine/s which are made available by CPA as per EML (Delhi Government) applicable to DGD/Hospital. However, if the prescribed medicine/s is/are not available at DGD/Hospital either by generic name or alternate brand name, it shall be indented by the same brand name, as prescribed, through Authorised Chemist.
3. The AMA of attached DGD/Hospital/Health facility is also authorised to issue individual components of combination medicines separately, provided that the amount/strength of individual components are the same and they are available in the DGD/Hospital, as per provisions of Circular F.No.25(III)/DGEHS/DHS/2017-18/Pt. File/17332-17532 dated 01/7/2019 (**Annexure-I**).
4. The indent for insulin pen is to be raised only for Type I Diabetes Mellitus on advice of Specialist as per provisions of Circular F.No.25(III)/DGEHS/539/DHS/2017-18/Pt. File/15823-16073 dated 29/05/2019 (**Annexure-II**).
5. Indent will be raised by Dispensary/Hospital only for those medicines which are admissible as per provisions of DGEHS scheme but are not available at DGD/Hospital. Indent for generic medicine and branded medicine will be raised separately. The medicine prescribed by salt name will be indented through chemist, authorized to supply generic medicines.

(Due to non-functioning of MIS portal, indents are to be raised through e-mail for individual patients till some alternative mechanism is developed). Related circular is attached at **Annexure-III & IV**.

Chapter

6. Please ensure that if both, brand as well as the salt name, are mentioned in the prescription, it will be indented by salt name only.
7. Please ensure that indented medicines are supplied within two working days from the day of indent at the premises of dispensary/hospital/polyclinic (indent raised before 2:00 PM will be counted for the day). In case, it is felt that there is inevitable delay in supply of medicine to beneficiaries due to intervening Sunday/Holiday, the AMA may issue **"Non Availability (NA)"** certificate for that period so that continuation of medication is not affected. The beneficiary can purchase "Not Available" medicines from outside for that period only. In such cases, the indent shall be raised for the remaining period as per prescription.
8. "NA certificate" is issued for those medicines which are admissible but neither available in DGDs/Hospitals nor could be made available through Authorised Chemist.

The "NA" should be written on the prescription as "Medicines at Serial Number is/are not available in DGD or through Authorised Chemist. The reason for not supplying the medicine may also be sought from Authorised Chemist.

9. AMA at the time of issuing "NA certificate" will apprise the pensioner beneficiary that reimbursement of expenditure incurred on purchase of NA medicines shall be claimed from their respective departments (as per Office Order No.F.25 (III)/DGEHS/168/DHS/2011/Part-II/22377-22636 dt: 27/04/2012 (copy enclosed as **Annexure-V**).
10. In case, MO In-charge/AMA/ Nodal Officer DGEHS observes that **Authorised Chemist is giving deliberate "UNABLE TO SUPPLY" certificate** to escape from penalty or for any other reason, he/she shall submit the detail report to the concerned CDMO/MS immediately.
11. AMA will prepare three (3) sets of bill vouchers. Each set should contain bill voucher (mentioning name of the patient, Indent number, Medical Facility Card number, MRP and name of the dispensary/health facility), original indent, copy of prescription slip, copy of Medical Facility Card and **"Unable to Supply"** certificate, if applicable.
(It has been observed in the past while examining the bills of Authorised Chemist that bills are submitted separate in one bunch, prescription in other bunch, medical facility card and other supporting documents in yet another bunch. It complicates the process of examination at this office. Therefore, all supporting document should be attached with individual bill voucher.)
12. Please ensure that each bill voucher has been verified and rubber stamped with following certificate (If rubber stamp is not available please write with ball point /ink pen. It shall bring uniformity):-
 - i. The quantity of medicine/s indented has/have been checked and found as per indent.
 - ii. The admissibility of medicines is as per CS/MA Rules 1944 and various orders issued by DGHS in this regard.
 - iii. The actual amount payable to the Authorised Chemist taking in to consideration the appropriate discount given by ACs after deduction of penalty, if any, is Rs...../- (Rs.....in words).

deepa

- iv. The medicine/s indented and mentioned in the bills was/were not available in the DGD/Hospital/health centre/Aam Aadmi Polyclinic at the time of submitting indent to the ACs.
- v. The indented medicine/s doesn't/do not contain Toiletries and Cosmetics product.
- vi. Medicines have been handed over to the beneficiary/authorised representative.
- vii. The shelf life of the medicine/s at the time of delivery is more than six months.
13. Two sets of bill vouchers complete in all respect along with requisite supporting documents as mentioned at point 11 and 12 of Section "A" should be forwarded to concerned CDMO/MS.
14. Please ensure that multi-vitamins, minerals and antioxidants covered under EML 2016 (Delhi) are indented as per provisions of Office Order No.DGHS-16012/19/2016-DGEHSDGHS-DIRGE(DGHS)-Part(2)/171411-463 dated 25/07/2016 (copy enclosed as **Annexure-VI**) and in accordance to guidelines issued from time to time by this Directorate.
15. Please ensure that supplies are made in original packing of manufacturer, in the nearest available pack/bottle/tube size.
16. Please ensure that Maximum Retail Price (MRP) printed on supplied medicines is masked by AMA, after verification of rate, to prevent **misuse** of supplies.
17. Please ensure that the medicines/strips/ bottles/ packets/ boxes/ items supplied by the Authorised Chemists are stamped with "**DGEHS Supply - Not for Sale**".
18. Please ensure that bills are submitted within a week to concerned CDMO/MS office to ensure timely payment to Authorised Chemist/s to avoid interruptions and stoppage of supply due to late payments. Bill cycle will start once bill voucher along with the medicines are delivered to concerned health facility. Time line, as given in Table-1 below, shall be followed for processing the bills for payment.

Table-1

S. No.	Role assigned to	Timelines for bills
1.	Authorised Chemist	Presentation of bills to respective unit for the supply made during each fortnight (1 to 15 & 16 to 30/31) within 10 days of closing of each fortnight.
2.	AMA/ Nodal officer of DGEHS	Verification of bill and onward submission to concerned CDMO/MS within seven working days
3.	CDMO/MS office	Verification of 10% of bills and onward submission to this Directorate within seven working days
4.	DGEHS office and Accounts	Process the bills for payment within seven working days.

19. Please adhere to the prescribed timelines as there are clear instructions from higher authorities to fix responsibility for any kind of delay. Therefore, it is reiterated that:
 - Bills are processed timely.
 - Indenting of medicines by Nodal Officer/MO In-charges/AMA is strictly as prescribed
 - Copy of the Prescription and Medical Facility Card are attached with each indent and invoice of the bill.

discrepancy

- Each bill in a bunch is verified for the net payable amount by MO In-charges/AMA.
- Penalty shall be imposed wherever applicable while verifying net amount.

20. Penalty on late/partial supply of medicines may be levied by AMA as below:

docupen

Note: - "Unable to Supply" certificate will only be accepted if medicine is not readily available in the market or production of medicine stopped by the company or name/strength of the medicine is not clearly mentioned in the indent. Maximum penalty for non-supply of medicine/not submission of "Unable to Supply" certificate should not exceed Rs. 1000/- per indented medicine.

Deliberate submission of "Unable to Supply" certificate will be seen as breach of the terms and conditions of the contract and stern action, which include termination of contract, forfeiture of performance security and blacklisting of the firms, will be taken against the firm.

22. In case medicines not readily available in the market or production of medicine stopped by the company or name/strength of the medicine not clearly mentioned in the indent, penalty clause shall not be applied and "Unable to Supply" certificate shall be accepted by AMA from Authorised Chemist within two days of raising indent. However, delay in submitting "Unable to Supply" certificate will invite penalty as mentioned in point 21 of Section "A".
23. Please ensure that in chronic conditions such as diabetes, hypertension, and joint disorders etc. medicines should be indented initially for one month from the date on which the beneficiary reports to the AMA on first occasion. On subsequent occasions, once the patient is stabilised on the particular medicine for the specified disease, indent may be placed for three months.
24. **Costly medicines are those medicine in which cost of single medicine for the period of one month (30/31 days) is more than or equal to Rupees Five Thousands.** AMA/MO In-charge of concerned health facility will seek approval from this Directorate, for indenting costly medicine, by submitting the details as per Performa placed at **Annexure-VII**, through e-mail (spodgehs@gmail.com). AMA/MO In-charge shall be responsible for any discrepancy found in the request letter for the costly medicine/s. AMA is further advised not to send any DGEHS beneficiaries to this Directorate for the purpose of obtaining permission for costly medicine/s.
25. **The costly medicines should not be indented for more than one month at a time.**
(The said instructions mentioned at point 23 above should be strictly followed even if the physician has prescribed the medicines for longer period. It happens that the treatment is changed sometimes in between and the medicines already indented go waste. In case, treatment of beneficiary is changed in between the medicine issuing period by treating physician, the balance of already issued medicine shall be returned by beneficiary to the AMA for using the same through Government pool. The Medicine should be returned in full strips and bottle and not in cut strips. For this a separate record has to be maintained by AMA in the dispensary/health facility. These medicines can be issued to other patients who are prescribed same medicines).
26. Please ensure that all complaints/suggestions related to supply of medicines to pensioner beneficiaries by Authorised Chemists (ACs) are processed and replied timely. AMA/MO In-charge/Nodal Officer (DGEHS) is authorised for the same.
27. Authorised Chemist/s shall provide the medicines of same brand as indented. In case, Authorised Chemist is unable to supply a particular brand of medicine, he/she will inform AMA accordingly and AMA, if satisfied, may permit substitution of brand with the knowledge and acceptability of beneficiary. In case, beneficiary does not accept the substitution of brand then Authorised Chemist shall give an undertaking in writing to AMA citing the reason of "Unable to Supply" certificate as mentioned above at point number 20 and 21. In such case, the AMA will issue NA certificate for

Chappal

that brand. The beneficiary shall purchase the same from market and claim reimbursement from their concerned department.

28. Ayurvedic medicines prescribed by allopathic doctor are not admissible as per provision of DGEHS scheme. Therefore, Ayurvedic medicines prescribed by allopathic doctor shall not be indented through ACs (copy placed at **Annexure-VIII**).
29. Please ensure that indent of medicine/s is/are raised exactly as per prescription. In case, wrong indent (including inadmissible items) is placed inadvertently by AMA and the same is noticed at the time of receiving medicines from Authorised Chemist, the AMA will re-indent the medicines after correction.
30. Please ensure utmost care while raising indent in terms of composition/combination and quantity of the drugs indented.
31. Please ensure that beneficiary submits the Utilisation Certificate (UC) to the concerned AMA for the **Costly Medicines** before placing the indent for medicine/s for further period (copy placed at **Annexure-IX**).
32. Please ensure all illegible prescription is corrected by beneficiary from treating doctor before they are indented.
33. Part supply of medicines is not allowed, in case of part supply of medicines penalty as illustrated in point 20 and 21 will be imposed.

B. CDMOs/MSs

1. Please ensure that bill vouchers received by them, have been verified by AMA as per point 11 and 12 of Section "A" above.
2. Please ensure that instructions issued to AMA in preceding section above have been followed. CDMOs/MSs are advised to verify and stamp 10% of the bills to the effect that.....

"AMA has indented the medicines as per DGEHS instructions. Payable amount has been verified and bills are being forwarded after scrutinization of 10% of bills"

Signature of CDMO/MS

(It has been observed that still CDMO/MS are simply forwarding the bills without following guidelines as mentioned above).

It is once again reiterated that the payment to Authorised Chemist/s is being made by this Directorate on verification of bills by AMA and scrutinization of bills by the CDMO/MS concerned. Over payment or non-payment due to no observance of these guidelines and late submission of bill respectively is the responsibility of AMA and CDMO/MS.

3. Medical Superintendents/CDMOs/AMAs/MO In-charges/Nodal Officers (DGEHS) are advised to appropriately redress the complaints/grievances related to supply of medicine to pensioner beneficiaries by Authorised Chemists (ACs).
4. The detailed report of the deliberate "**Unable to Supply**" certificate given by the Authorised Chemist and submitted by the MO in-charge/AMA/Nodal officer DGEHS shall be compiled on monthly basis along with his/her observation. This compiled report shall be submitted to DGEHS so that appropriate action could be taken against the Authorised Chemist as mentioned at point 21 of Section "A".
5. Supply of medicine/s up to six months may be allowed in accordance to OM of CGHS dated (copy placed at **Annexure-X**) at the level of CDMO/MS and a copy of same shall be forwarded to this Directorate for information.

deepar

C. AUTHORISED CHEMISTS (ACs)

1. Authorised Chemists or their representative shall receive indent for the medicines online (if available) or through e-mail (when MIS is not available/non-functional) from the dispensaries/polyclinics/hospitals during the time allotted before the specified closing hours. The hospital/dispensary/polyclinics shall place the indent for prescribed medicine/s which is/are not available in dispensary/ polyclinic/ hospitals.
2. The Authorised Chemist shall ensure reliable internet connectivity to ensure connectivity with DGEHS network to receive online indent from the dispensaries/hospitals. Copies of the indent shall be printed by him/her on plain computer stationery as prescribed by DGHS. Any delay in medicine supply due to internet connectivity issues shall not be considered and will be taken as delay on part of the Authorised Chemist and penalties shall be levied accordingly.
3. All medicines/ strips/ bottles/ packets/ boxes/ items should have MRP clearly printed on them and should be legible. In case, MRP is not written or printed or legible, the Authorised Chemist shall provide a certificate from the manufacturer stating MRP of the product. Any reduction/ revision of the rates of MRP of any medicine shall be intimated to the indenting dispensary/polyclinics/hospital. Supply of old stock with higher MRP while withholding newer stock with lesser MRP shall be construed as fraudulent practices and will be dealt accordingly.
4. Authorised Chemist shall compulsorily stamp "DGEHS Supply - Not for Sale" on all the medicines/ strips/ bottles/ packets/ boxes/ items supplied by him/ her.
5. Authorised Chemist will have to be very particular about the quantity and the salt/molecule/combination supplied/prescribed medicines vis-a-vis indent raised.
6. Demand or supplies of any other medicinal/non-medicinal product in lieu of medicine shall be considered as corrupt and fraudulent practices and may invite penalties for beneficiary and for Authorised Chemist.
7. The Authorised Chemist shall submit the bill to respective dispensary/polyclinic/hospital for the supplies made during preceding fortnight (1 to 15 & 16 to 30/31) within 10 days of closing of each fortnight.
8. The bill should clearly indicate the details of the supplies made each day such as name of the item, batch number & expiry date, name of beneficiary, Medical Facility Card number with date, MRP, discount as per contract etc. and any other information required by the DGEHS. The submitted bills having any deficiency in respect to these details will not be accepted for processing for the purpose of payment and shall be returned back to Authorised Chemist.
9. Authorised Chemist (AC) shall provide three sets with original indent vouchers along with RTGS details of the bank to AMA. AMA shall forward two set to CDMO/MS office along with all supporting documents (as mentioned at point 11 and 12 of Section "A") and keep one set in DGD/Polyclinic/Hospital as record.
10. Please ensure that supplies are made in original packing of manufacturer, in the nearest available pack/bottle/tube size.
11. Authorised Chemist shall provide the medicine/s of same brand as indented. In case the particular brand of medicine is not readily available, Authorised Chemist will inform AMA accordingly and AMA, if satisfied, may permit substitution of brand with the knowledge and acceptability of beneficiary. In case, beneficiary does not accept the substitution of brand then AMA will give N.A. certificate for that particular medicine and beneficiary can purchase the same from market and claim reimbursement from his/her concerned department.

check

12. In case of over payment made to the Authorised Chemist inadvertently, the same shall be adjusted in the payment made on subsequent bills.
13. Part supply of medicines is not allowed. In case of part supply of medicines penalty as illustrated at point 21 in Section "A" will be levied.

DGEHS CELL.

1. This office will process the verified bills submitted by MS/CDMO offices for payment to Authorised Chemists.
2. DGEHS will process the bills received from CDMO/MS, for payment presuming that the same have been checked before forwarding to DGEHS Cell. Then, non-payment/over payment due to any deficiency or discrepancy in submission of bills on the part of anyone shall be the responsibility of the concerned CDMO/MS.
3. For any clarification MO In-charges/AMAs/Nodal Officers may contact to AD (DGEHS), SMO/MO (DGEHS) either through telephonically on 011-22391435 or through e-mail on spodgehs@gmail.com, adghehs.delhi@gov.in.

OFFICE ORDER

Reference is invited to the earlier order dated 25/04/2016 whereby directions were issued to ALCs not to supply the preparation containing multi-vitamins, minerals, anti-oxidants, nutrients and food supplements, toiletries and cosmetic product etc. to the beneficiaries.

However, on receipt of a number of representations especially from senior and super-senior pensioners, patients having undergone major surgeries, patients suffering from chronic diseases, the matter has been reviewed in consultation with concerned specialists. It has been observed that vitamins, antioxidants and some supplements etc are not prescribed in isolation but they are prescribed as essential for therapeutic use along with ongoing treatment.

In view of above it has been decided that:

1. The prescription of vitamins, minerals, and antioxidants should be restricted as per EML 2016 of Delhi Govt. In case of non availability of these items in Delhi Govt. hospitals/Health Centres, they may be allowed initially for first three months on prescription of any private empanelled hospital provided that they have been prescribed as essential for therapeutic use along with some medicines, with proper diagnosis and justification. After three months, these products may be permitted by AMA on the recommendation of Govt. Specialist of concerned field only.
2. The above conditions shall not apply to the patients with CLD, CKD, malabsorption syndrome, transplant patients, cancer patients who may be permitted vitamins minerals, food supplements and antioxidants if the same has been prescribed by the concerned specialists as essential for therapeutic use with proper diagnosis and justification.

- 1/9646/2016

3. Food Supplements may be allowed by AMA only on recommendation of Govt. Specialist of concerned field.

4. Toiletry and Cosmetic products will not be permitted.

CIRCULAR

Subject: Regarding "utilization certificate" for costly injections:

In reference to a guideline communicated on 15/12/2016 wherein Point 24 of the Part A "AUTHORIZED MEDICAL ATTENDANT/MEDICAL OFFICER INCHARGE/NODAL OFFICER OF DGEHS" regarding supply of medicines to DGD/Hospital which states as " Please ensure that beneficiary submits the utilization certificate for the costly medicines approx. more than Rs. 5000/- before indenting the medicines for further period. The utilization certificate for injections may be provided by treating physician and in case of tablets utilization certificate may be provided by the pensioner beneficiary."

The matter has been discussed with the Director General of Health Services and it has been decided that the utilization certificate for injection may be taken from the pensioner beneficiary instead of treating physician.
