

8 DR.B.R.SUR HOMEOPATHIC MEDICAL COLLEGE, HOSPITAL & RESEARCH CENTRE

Dr. B. R. Sur Homoeopathic Medical College, Hospital & Research Centre was established in November 1985 by Dr. B. R. Sur, who is a great philanthropist and a leading Homoeopath of Delhi. The hospital started functioning in the year 1986 with its diagnostic facilities like X-Ray, Ultrasound, ECG, Pathology Laboratory and Operation Theater facilities, though it was formally inaugurated by Shri Jagpravesh Chander as a full fledged 40 bedded hospital in 1987. This institution was donated to Govt. of NCT of Delhi on 1st October 1998. The medical college is having a 50 bedded attached hospital. This institution is situated in Nanak Pura, Moti Bagh, New Delhi and is built on a land measuring one acre and has 27,000 sq. ft. covered area on three floors. The institution is affiliated to Guru Gobind Singh Indraprastha University imparting Bachelor in Homeopathic System of Medicine (BHMS) Degree Course of 5 ½ years with an admission capacity of 50 students every year. There is a common entrance test conducted every year by Guru Gobind Singh Indraprastha University. The hospital runs special Sunday clinic for senior citizens.

The brief performance statistics of the hospital during 2012-13 and previous years is as under :

Year	No. of Beds		No. of Patients (OPD)				IPD	No. of Surgeries	
	Sanctioned	Functional	New	Old	Emergency	MLC		Major	Minor

11 GOVIND BALLABH PANT HOSPITAL

The Foundation stone of Govind Ballabh Pant Hospital was laid in October 1961 and was commissioned by the Prime Minister late Pundit Jawaharlal Nehru on 30th April 1964. From a very humble beginning with 229 beds, indoor admissions of 590 patients and outdoor department (OPD) attendance of 8522 in 1964-65, the hospital has gradually expanded over the years. Now this is a 615 bedded hospital. The hospital is a nationally recognized tertiary care institution for cardiac, neurological and gastrointestinal disorders. It offers specialized medical and surgical treatment to about 5 lac patients in the OPD and almost 23,000 patients every year.

It is one of the reputed centers for post-doctoral teaching and training and recognized for many path breaking researches. The Institution is recognized by Medical Council of India and University Grants Commission as an independent post graduate college affiliated to University of Delhi. The institution offers post-doctoral D.M. degrees in Cardiology, Neurology and Gastroenterology and M.Ch. degrees in Cardio thoracic Surgery, Neuro Surgery and Gastrointestinal Surgery. Students are also admitted in M.D. courses in the fields of Microbiology, Pathology, Psychiatry and Radio-Diagnosis - in association with Maulana Azad Medical College - a sister institution. In addition, many departments are recognized for Ph. D. courses.

The brief performance statistics of the hospital during 2012-13 and previous years is as under:

19 GURU NANAK EYE CENTRE

Guru Nanak Eye Centre was conceived in 1971 with a view to provide best eye Centre to residents of Delhi. The name of institution was adopted as GNEC with a view to maintain the teaching of Guru Nanak & initial support was provided by Gurudawara Prabanthak Committee Delhi. The Outpatient Department block started functioning in 1977 and the Indoor Patients were kept in eye ward of LNJP hospital. GNEC became administratively independent on 14th March 1986 with complete indoor facility. 184 bedded hospitals started functionally in small building.

Guru Nanak Eye Centre, presently a 212 bedded eye hospital is part of MAMC-LNH-GBPH-GNEC complex. The hospital is attached to Maulana Azad Medical College. The Eye Centre, each year, imparts comprehensive training in Ophthalmology to post-graduates and undergraduates (as part of MBBS course) of Maulana Azad Medical College. The postgraduate training includes clinical, research and other academic activities. Besides, the centre also trains faculty members from other institutions coming for specialized training. A number of ophthalmologists are trained under national programme for prevention of Cataract blindness and the centre gets a number of observers from all over the country and visitors from different parts of the world.

It provides comprehensive eye health care services to the public. The Eye Centre started

functioning independently in 1985. The various services provided by the Centre includes OPD services, indoor services, operation theatre (24 hours) facilities, emergency services (24 hours), Speciality clinics, Eye Banks, Community eye services through peripheral health center at Narela, Delhi and by being a referral center of the Motia- Bind-Mukti- Abhiyan Programme of Government of NCT, Delhi.

22 INSTITUTE OF HUMAN BEHAVIOR AND ALLIED SCIENCES

The Hospital for Mental Diseases (HMD), Shahdara, was established in 1966 in the eastern outskirts of Delhi across the Yamuna River at a time when custodial care of mentally ill was order of the day. During this era, the society had lost hopes for recovery of such patients and kept them far away. It was a virtual dumping ground for society's unwanted people. There used to be inadequate facilities, paucity of trained staff and often ill-treatment to patients. The hospital was converted into a multidisciplinary institute under the Societies Act and registered as a Society by Supreme Court order in response to public interest litigation. Since its inception in 1993, it has served as a good example of how judicial intervention can bring about changes for the benefit of the patients. At present, it is functioning as an autonomous body with support from Central and Delhi Governments for its maintenance and developmental activities.

Institute of Human Behaviour & Allied Sciences (IHBAS) is a tertiary level Medical Institute deals in patient care, teaching and research activities in the field of Psychiatry and neurological sciences. The Institute is an autonomous body registered under the Societies Act 1860, funded jointly by Ministry of Health and Family Welfare, Government of India and Government of NCT of Delhi. As an autonomous body, the institute has its Memorandum of Association and Rules and Regulations duly approved under the Societies Act. Minister for Health, Govt. of NCT of Delhi is the President and Chief Secretary, Govt. of NCT of Delhi is the Chairman of the Executive Council of the institute. This institute has hospital with 500 sanctioned beds with 336 functioning beds. The nature of the institute has been outlined as modern, state of the art tertiary care center and post graduate teaching training institute for behavioural, neurology and allied sciences. The institute aims at integrating psychiatry as specialty with other disciplines related to human behaviour by providing comprehensive treatment programmes.

The hospital has Standing Medical Board for issuance of disability certificate under Persons with Disabilities (Equal Opportunities, Protection of Rights and Full Participation) Act, 1995 Act for mental illness/disorders and Neurological disorders/Cerebral Palsy etc..

The brief performance statistics of the hospital during 2012-13 and previous years is asunder:

27 LOK NAYAK HOSPITAL

Lord Irwin laid down the foundation stone of this old hospital that was set up in Central Jail complex, named for the bulwark of British Vice regality - Lord Irwin on 10 January 1930. It was in 1936 that under Lt. Col. Cruickshank, I.M.S., and this Lok Nayak Hospital was commissioned 'Irwin Hospital' with bed strength of 320. In November 1977 the name of Irwin Hospital was changed to LNJP Hospital. Lok Nayak Hospital christened in 1989 from Lok Nayak Jai Prakash Narayan Hospital (LNJP) was originally popular and still continues to be known as Irwin Hospital.

Lok Nayak Hospital is a premier public hospital under Govt. of NCT of Delhi with present bed strength of 1821. During these 6 decades of its existence this hospital has grown enormously in its size and volume so as to cope with the growing needs of the ever-increasing population of this capital city. New State of out OPD, emergency block and indoor ward are being constructed some of the builds one already made operational and others are coming up including ortho indoor block. The catchments area of this Hospital includes the most thickly populated old Delhi areas including Jama Masjid and Trans Yamuna Area. Patients attending this hospital from the neighbouring states and other parts of the city have increased manifold. The hospital provides the general medical care encompassing all the departments like Medicine, Surgery, Obstt. & Gynae, Paediatrics, Burns & Plastic etc. It also provides specialized services like Dialysis, Lithotripsy, Respiratory Care, Plastic Surgery and others. New Department of Pulmonary Medicine is being setup. The hospital also provides the tertiary care connected with the National Programmes including mainly family welfare & maternity and child health care.

The hospital is tertiary level teaching hospital attached to Maulana Azad Medical College, providing clinical training facilities to under graduate and post graduate students.
