01. The successful bidders will submit the acceptance letter and agreement on a non-judicial stamp paper of Rs. 100/- as per Annexure-VIII within 15 (Fifteen) working days from the date of issuance of this letter.
02. The goods, including for works contract, shall be supplied by bidder or its authorized distributor and against a sale invoice issued. The bidder dealer or its authorized distributor, as the case may be, who supplies the goods should be registered with the Goods & Service Tax (GST), Department and carry a

- (17)
- valid GST, Identification Number issued by it. The bidder shall, however, be responsible for compliance with all conditions, warranties/guarantees, irrespective of the fact that the goods are supplied by him directly or through its authorized distributor. Further, all the quoted bid price in the tender shall be inclusive of all taxes and duties (except GST) GST shall be paid extra.
03. The pre-authorized agencies shall also ensure the following: -
- A. The dealer supplying goods should be registered with the GST Department/Government of India and carry a valid GST Identification Number issued by it."
  - B. The principal firms/manufactures can change the authorized agents/distributors only once during the period of contract. The change of distributor/agent shall be required to give full justifications/reasons thereof. In case of change of any authorized by the principal firm, the principal firm shall then be directly liable for Guarantee of quality and supply of items.
  - C. All changes of distributor authorization by the principal/manufacturer firm will be subject to final approval by the Director, RGSSH. In case change of distributor NOC is required from the principal firm, previous/old distributor and new distributor with submission of new Performance Guarantee from principle firm or Performance Guarantee from the new distributor. The new authorized distributor shall have to deposit full Performance Guarantee in favour of Rajiv Gandhi Super Speciality Hospital, Delhi-110093, before his case is considered along with an undertaking by the principal Firm that the supplies shall be made without any interruption during the remaining tender validity period.
  - D. Sub-authorization by the principal's authorized agency/firm will not be accepted for making any supply/delivery/service of the goods or for raising bills/collecting payments etc.
04. All quoted rates should be on F.O.R. basis up to the Hospital Stores. The approved rates shall remain fix/firm for 2 years from the date of issue of Rate Contract.
05. The rates quoted should be inclusive of all duties, surcharge, cess, levies, loading/unloading, Insurance, freight charges, packing charges, custom duty and octroi etc. excluding GST. The cost of insurance of goods/articles shall be paid by the Bidder for imported as well as indigenous items. The Bidder to submit proof of depositing GST to the Government to the Accounts Department (DDO) of the Institute, for all bills being cleared with GST as and when required.
06. No upward price revision would be acceptable whatsoever after opening of tender. It would be acceptable only in cases where the Govt. changes its policies, rates etc. for which necessary notification/clarification to this effect has been issued by the Government. Moreover, Director reserves the right to accept or reject any such offer in this regard and final decision whatsoever will be binding on all. In case the price of the goods reduced as per policy decision of Govt./by manufactures due to any other reasons, the company shall inform the Hospital immediately and make the supplies on the reduced rates from the date such reduction in prices taking place.
07. Fall Clause: If at any time during the execution of the contract, the controlled price becomes lower or the supplier reduces the sale price or sells or offers to sell such stores, as are covered under the contract, to any person/organization including the purchaser or any department of Central Government or any department of the National Capital Territory of Delhi at a price lower than the price chargeable under the contract, he shall forthwith notify such reduction or sale or offer of sale to the purchaser and the price payable under the contract for the stores supplied after the date of coming into force of such reduction or sale or offer of sale shall stand correspondingly reduced.
08. In case of the rate quoted by the firm for any product is found to be higher than the rate quoted to other Govt., semi Govt., autonomous or public sector hospitals, institutions organizations etc. during the same financial year, the firm may be debarred from tendering for the next consecutive tender and payment may be made at the currently found lower rate including recovery of any paid amount for the same product.
09. The payment will be made against pre-receipt bills in triplicate after the receipt of the complete items against supply order in hospital stores.

10. All goods (packets, boxes, strips, etc) for supply to hospital stores should be stamped "FOR SUPPLY TO RGSSH, NOT FOR SALE". The batch number, manufacturing date, expiry date of consumable/perishable items have to be on all supplies. The bidder should note that the stock supplied should not have passed more than 1/4<sup>th</sup> of their shelf life for Indian goods and 1/3<sup>rd</sup> for foreign drugs, from the date of manufacturing. Loss or premature deterioration due to any factor during life span of stock shall have to be made good by the supplier free of cost.
11. For all sterilized consumables, concerned firm shall provide sterility certificates issued by any Government approved laboratory along with their supplies in stores. The Bidder will be liable for any legal action in case of any complaint arising out of un-sterile supplies.
12. No NMIC/CDEC shall be issued to the firm by the Institute, if required for any supplies.
13. The bidders are bound to make the supplies of items with minimum number of batches to the respective store in hospital premises with the entire satisfaction of the purchaser on the basis of rates quoted and a copy of the receipt Challan mentioning the batch, manufacturing date and expiry date may also be submitted to the store in charge.
14. The Director, RGSSH has full power to send the samples of any stores for testing/evaluation without assigning any reason to the supplier. The Director reserves the power of ordering recovery for liquidated damages for defaults on the part of Bidder for the satisfactory supply of stock ordered etc.
15. All items should be supplied with the valid test report from a Government approved/recognized Lab.
16. Quality complaint-if any shall be dealt by the Vendor at its own cost.
17. **Validity period of Supply:** - All deliveries should be made to the concerned Store of the Hospital on F.O.R. destination basis within 30 days (For Indian Goods) and 60 days in case of Imported Items. The supply will not be accepted in parts except emergency conditions.
18. **Emergency/Urgent procurement:** - In case, the Hospital requires an item urgently, the supplier must supply the item as per the directions of the Department on approved rates and in such case the condition of normal delivery period shall not be applicable.
19. All extension given beyond validity period, supplies will be admissible along with liquidated damages charge of 2% per week to a maximum of 10%, for a maximum period of 35 days only. For repeated non-supply/any default, the Bid Security/Performance Security of the firm shall be forfeited. Director shall reserve the exclusive right to wave off the liquidated damage charges for late supplies if due to natural calamities and submitted with valid proof e.g., earthquake, floods etc.
20. In case the Bidder fails to deliver the particular item or items within the scheduled validity period, the hospital shall reserve the right to procure these item from the next approved bidder or from open market and the loss to the govt. on account of excess expenditure incurred will be charged from the firm who shall deposit the total amount of loss incurred to the cashier of the hospital and deposit TR-5/DD receipt in purchase Section with necessary details. For repeated non-supply/any default, on the part of firm, the Bid Security /Performance Security shall be forfeited.
21. The Hospital can extend the validity period of tender in public interest in full or in part for a period 12 months, when the circumstances so warrant. The bidder must undertake to supply at the approved rate during the extended period also.
22. In case of any delay/non supply from the bidder or authorized distributor fails to supply the article at the appointed place and hour, the Director, RGSSH may purchase those from any other sources and the firm will deposit the difference to the cashier of this hospital and submit the TR-5 / Demand Draft receipt in the Purchase Section or else the same may be adjusted against bid security.
23. If any stock remains unconsumed with expired shelf life, it should be replaced with fresh stock by the supplier.
24. The Director, RGSSH shall not be bound to take all or any of the article enumerated in the appendix in full / or even in part of the estimated quantity.

- 19
25. The Director, RGSSH, Delhi has exclusive powers to accept or reject any or all tenders, and / or to cancel the supply order at any time without assigning any reasons. All disputes shall be subject to Delhi Jurisdiction.
  26. In case the last date of receipt of tender is declared a public holiday by Govt. of India/Delhi Govt. or work is held up due to strike etc. the tenders/samples will be accepted up to the approved time on the next working day.
  27. All bidders shall have also to undertake that no vigilance case / CBI case pending against them or their Principals or they have been blacklisted or debarred by any Govt. Hospital or Institution for supplying inferior quality goods or for malpractices.
  28. The purchaser may demand to see the original document or submission of attested/certified copy of any document which has been submitted online or other documents requiring clarification.
  29. Submission of the tender is deemed to be agreeing to the terms & conditions of this tender and shall act, if approved, as a contract to supply as per the terms & conditions of the tender and according to the given schedule or on subsequent orders of the Director, RGSSH or his/her authorized representative.
  30. The bidder should not be currently blacklisted or deregistered by any Govt/Autonomous body/Institution. Hospital in India for items being quoted in this tender or completely debarred to participate in the Tender.
  31. Laws governing the Contract:
    - A. This contract shall be governed by the laws of India.
    - B. The Courts of Delhi shall alone have jurisdiction to decide any dispute arising out of or in respect of the bid/contract.
  32. The conditions herein contained shall form part or and shall be taken as included in the agreement to be entered into or treated as agreement itself of the discretion of Director, RGSSH, Delhi-110093.
  33. The successful bidder(s) shall have to submit 3% of the value of the contract as Performance Guarantee in the form of Fixed Deposit Receipt, or Bank Guarantee from any of the commercial banks in favour of Rajiv Gandhi Super Speciality Hospital valid for a period of sixty days beyond the date of completion of all contractual obligations of the supplier including warranty obligations within thirty (30) days from the date of issue of notification of award by the TIA, the supplier, shall furnish performance security to the TIA.
