#### GENERAL TERMS & CONDITIONS:

01. The goods, including for works contract, shall be supplied by bidder or its authorized distributor and against a sale invoice issued. The bidder dealer or its authorized distributor, as the case may be, who supplies the goods should be registered with the Goods & Service Tax (GST), Department and carry a valid GST, Identification Number issued by it. The bidder shall, however, be responsible for

compliance with all conditions, warranties/guarantees, irrespective of the fact that the goods are supplied by him directly or through its authorized distributor. Further, all the quoted bid price in the tender shall be inclusive of all taxes and duties (except GST) GST shall be paid extra.

02. The pre-authorized agencies shall also ensure the following:-
- A. The dealer supplying goods should be registered with the GST Department/Government of India and carry a valid GST Identification Number issued by it."
  - B. The principal firms/manufactures can change the authorized agents/distributors only once during the period of contract. The change of distributor/agent shall be required to give full justifications/reasons thereof. In case of change of any authorized by the principal firm, the principal firm shall then be directly liable for Guarantee of quality and supply of items.
  - C. All changes of distributor authorization by the principal/manufacture firm will be subject to final approval by the Director, RGSSH. In case change of distributor NOC is required from the principal firm, previous/old distributor and new distributor with submission of new Performance Guarantee from principle firm or Performance Guarantee from the new distributor. The new authorized distributor shall have to deposit full Performance Guarantee in favour of Rajiv Gandhi Super Speciality Hospital, New Delhi-110093, before his case is considered along with an undertaking by the principal Firm that the supplies shall be made without any interruption during the remaining tender validity period.
  - D. Sub-authorization by the principal's authorized agency/firm will not be accepted for making any supply/delivery/service of the goods or for raising bills/collecting payments etc.
03. All quoted rates should be on F.O.R. basis up to the Hospital Stores. The approved rates shall remain fix/firm for 2 years from the date of issue of Rate Contract.
04. The rates quoted should be inclusive of all duties, surcharge, cess, levies, loading/unloading, Insurance, freight charges, packing charges, custom duty and octroi etc. excluding GST. The cost of insurance of goods/articles shall be paid by the Bidder for imported as well as indigenous items. The Bidder to submit proof of depositing GST to the Government to the Accounts Department (DDO) of the Institute, for all bills being cleared with GST as and when required.
05. No upward price revision would be acceptable whatsoever after opening of tender. It would be acceptable only in cases where the Govt. changes its policies, rates etc. for which necessary notification/clarification to this effect has been issued by the Government. Moreover, Director reserves the right to accept or reject any such offer in this regard and final decision whatsoever will be binding on all. In case the price of the goods reduced as per policy decision of Govt./by manufactures due to any other reasons, the company shall inform the Hospital immediately and make the supplies on the reduced rates from the date such reduction in prices taking place.
06. Fall Clause: If at any time during the execution of the contract, the controlled price becomes lower or the supplier reduces the sale price or sells or offers to sell such stores, as are covered under the contract, to any person/organization including the purchaser or any department of Central Government or any department of the National Capital Territory of Delhi at a price lower than the price chargeable under the contract, he shall forthwith notify such reduction or sale or offer of sale to the purchaser and the price payable under the contract for the stores supplied after the date of coming into force of such reduction or sale or offer of sale shall stand correspondingly reduced.
07. In case of the rate quoted by the firm for any product is found to be higher than the rate quoted to other Govt., semi Govt., autonomous or public sector hospitals, institutions organizations etc. during the same financial year, the firm may be debarred from tendering for the next consecutive tender and payment may be made at the currently found lower rate including recovery of any paid amount for the same product.
08. The payment will be made against pre-receipt bills in triplicate after the receipt of the complete items against supply order in hospital stores.

09. All goods (packets, boxes, strips, etc) for supply to hospital stores should be stamped "FOR SUPPLY TO RGSSH, NOT FOR SALE". The batch number, manufacturing date, expiry date of consumable/perishable items have to be on all supplies. The bidder should note that the stock supplied should not have passed more than 1/4<sup>th</sup> of their shelf life for Indian goods and 1/3<sup>rd</sup> for foreign drugs, from the date of manufacturing. Loss or premature deterioration due to any factor during life span of stock shall have to be made good by the supplier free of cost.
10. For all sterilized consumables, concerned firm shall provide sterility certificates issued by any Government approved laboratory along with their supplies in stores. The Bidder will be liable for any legal action in case of any complaint arising out of un-sterile supplies.
11. No NMIC/CDEC shall be issued to the firm by the Institute, if required for any supplies.
12. The bidders are bound to make the supplies of items with minimum number of batches to the respective store in hospital premises with the entire satisfaction of the purchaser on the basis of rates quoted and a copy of the receipt Challan mentioning the batch, manufacturing date and expiry date may also be submitted to the store in charge.
13. The Director, RGSSH has full power to send the samples of any stores for testing/evaluation without assigning any reason to the supplier. The Director reserves the power of ordering recovery for liquidated damages for defaults on the part of Bidder for the satisfactory supply of stock ordered etc.
14. All items should be supplied with the valid test report from a Government approved/recognized Lab.
15. Quality complaint-if any shall be dealt by the Vendor at its own cost.
16. **Validity period of Supply:-** All deliveries should be made to the concerned Store of the Hospital on F.O.R. destination basis within 30 days (For Indian Goods) and 60 days in case of Imported Items. The supply will not be accepted in parts except emergency conditions.
17. **Emergency/Urgent procurement:-** In case, the Hospital requires an item urgently, the supplier must supply the item as per the directions of the Department on approved rates and in such case the condition of normal delivery period shall not be applicable.
18. All extension given beyond validity period, supplies will be admissible along with liquidated damages charge of 2% per week to a maximum of 10%, for a maximum period of 35 days only. For repeated non-supply/any default, the Bid Security/Performance Security of the firm shall be forfeited. Director shall reserves the exclusive right to wave off the liquidated damage charges for late supplies if due to natural calamities and submitted with valid proof e.g., earthquake, floods etc.
19.
